**RENEWED PETITION UNDER 37 C.F.R. 1.81 OR ALTERNATIVELY  
PETITION TO REVIVE UNINTENTIONALLY ABANDONED  
APPLICATION UNDER 37 C.F.R. 1.37(b)**

Responsive to the "Decision on Petition to Withdraw the Holding of Abandonment" (copy enclosed), dated June 17, 2004, Petitioner agrees with the Examiner that "The required notification of change of correspondence address need take no particular form". In the office action response dated 9/9/02 which was held non-compliant, applicant's attorney signed the paper giving his customer number 32575 as an indication of the correspondence address. This number was a clear indication of the correspondence address to be used in corresponding with the applicant. If the Patent Office had directed its holding of non-responsiveness to the customer number address, applicant's attorney would have received the same.

Therefore, it is respectfully requested that reconsideration of the decision on petition to withdraw the holding of abandonment should be had in light of this information, and the holding withdrawn.

If the above notification of change of correspondence address is still deemed sufficient, it is respectfully requested that the petition be converted to one to revive the application under 37 C.F.R. 1.137(b). The required reply to the non-compliant notice has previously been submitted

with the original petition to withdraw the holding of abandonment. The entire reply from the due date for the reply until the filing of this petition was unintentional as indicated by the factual findings. The fee for the petition of \$665 (small entity) was previously paid by Check No. 2871, a copy of which is enclosed. Enclosed is a check for \$85, representing the difference in the current fees.
